Descendants of Patrick Appleby

We know that Patrick Appleby had an older brother Peter who was born in Ireland in abo 1774 and died in Cupar, Scotland in 1845. We have not found any records of a wife or children for this Peter in Scotland, but it is possible that some of the couples shown on the Roscommon Appleby charts are descended from him.

Fanny Farrell
b. abt 1841 in Ireland
d. 2 Nov 1884 in Cupar, Fife, Scotland

We have not found a death for Fanny's husband Patrick, either in Scotland or Ireland - so we d know if he accompanied his wife and seven children to Scotland, but we think they arrived in a 1849. From their ages, it is possible that they had older children who remained in Roscommon possibly some of the couples on the Roscommon page are Patrick and Fanny's sons!
